Dear Tom and Joelle,

I am modifying permit S/023/058 by increasing the
Size of operation to 4.999 acres.

Here is a copy of my map showing the area I am going
To disturb and water will remain which reconstitutes the
disturbance. A pond will be about 80 by 80 by 5 feet
With an opening of rocks so that the water will flow.
in the pond. This pond will be approximately 200 feet,
more or less away from the disturbance.

My deepest thanks.

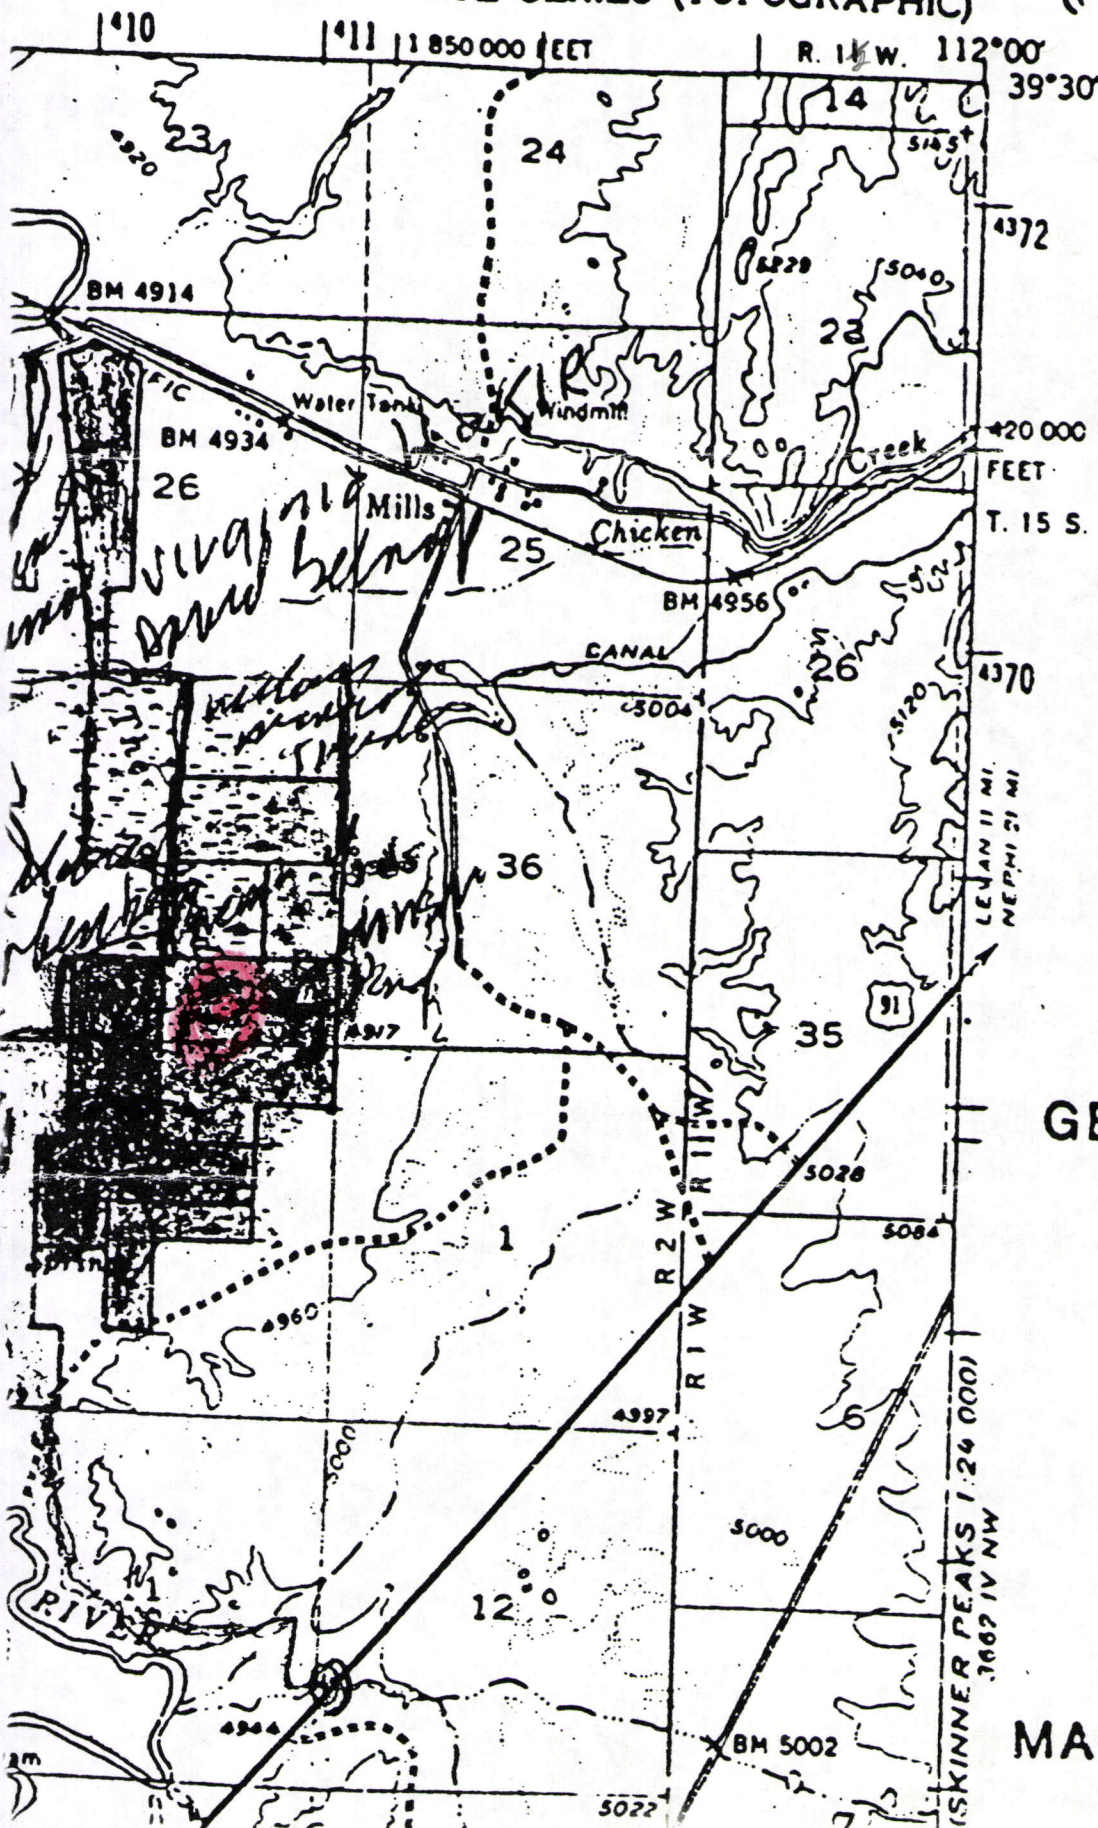

Sincerely,

Bonnie Birch Jensen
